

INSURANCE CERTIFICATE FOR RAILWAY UDNERTAKINGS, RAILWAY INFRASTRUCTURE MANAGERS, AND UNDERTAKINGS CERTIFIED IN ACCORDANCE WITH § 11 OF THE RAILWAY ACT

Insurance coverage
The insurance covers liability for railway operations in Denmark
The coverage and duration of the insurance
The insurance covers the insured's liability in accordance with the Act on Railways and Laws, Notices and European Regulations that supplement, modify or replace the Act on Railways.
Insurance coverage in 2021, cf. Executive Order No. 1649 of 13/11/2020
The cover for personal injury, loss of provider and damage to property is at least 447 million DKK for railway undertakings for the purpose of passenger or cargo transport.
The cover for personal injury, loss of provider and damage to property is at least 74 million DKK for non-commercial railway operations with historical or tourist purpose on the rail network.
The cover for personal injury, loss of provider and damage to property is at least 15 million DKK for non-commercial railway operations on heritage, museum and tourist railways that operate their own network.
Exemptions from insurance coverage
The insurance does not exempt certain types of insurance events in case of damage to passengers and passengers' property, for example damage caused by terror.
The insurance does not exempt certain types of insurance events in case of damage to third parties or third parties' property due to the impact of other than loose animals, for example damage caused by terror.
Compensation is paid to injured or survivors in case of damage, regardless of the insured's ability to determine any possible self-risk in the insurance.
